ACLS: 1300-1700	4.0 Cardiac CEU hours offered

Lake-Sumter EMS has updated our combined CPR and ACLS Refresher program with an improved emphasis on hands on learning and an in-depth algorithm review. Attendees who wish to solely complete the CPR component can leave after they completed the BLS section at 1200; all ACLS participants must attend the beginning CPR component even if they just took a class. This meets the minimum ACLS criteria of the AHA.

**Because of the recent program updates, class begins at 0830 and doors will close at 0845. If a time issue arises, directly contact Mike Hilliard at 352/516-1534. The next CPR/ACLS Refresher class will be in March 2011.**

EMS Professionals must register prior to August 18, 2010. Contact Adelaide Cataneo at 352/383-4554. She will save you a place in the program and will reserve a loaner textbook(s). We will not interoffice the textbook(s). When you attend the class, you must return with the textbook(s) or face Adelaide alone.
